The Right for Spring 2:

Article 27: You have the right to food, clothing, a safe place to live and have your basic needs met.

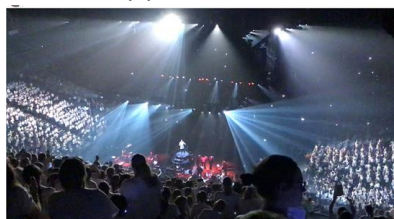

Article 29: Your education should help you use your talent and abilities.

Our Value is **Responsibility**

Parents Evening will be taking place on Tuesday 3rd and Wednesday 4th March. Details on how to book an appointment have been shared on School Gateway.

Young voices

On **Thursday 5th February**, 22 children from **Chorlton Park** took part in the **Young Voices** concert at the Co-op Arena. They joined a choir of more than **8,000 children** from across the region as they celebrated the event's **30th anniversary**. They sang a selection of songs and enjoyed performances from special guest artists. It was an unforgettable experience for everyone involved and we are incredibly proud of the enthusiasm, dedication and

confidence shown by all our young performers. Well done, Chorlton Park singers!

Sporting achievements

Chorlton Park has had an action packed half term of sport!

Our dodgeball teams impressed once again, with two teams battling their way to the Manchester Finals - a fantastic achievement. The Year 5/6 girls' football team also delivered a brilliant performance, securing 3rd place in the Greater Manchester Pokémon Cup. Meanwhile, six runners across Year 5 and 6 represented the school at the Manchester Country Cross Country races held at Heaton Park, showing incredible grit and stamina. Finally, our Year 6 boys' football team also took victory in their first league match with a 6-0 win.

An exciting and successful half term for Chorlton Park – well done everyone!

February 2026

The next Adoption support network is on Wednesday 18th March at 9.15-10:15am at Chorlton C of E Primary School.

There will be an opportunity to network with other adoptive parents in a supportive, safe setting. Laura Bethel (School Play Therapist), will be present to take any questions/queries you may have. There will also be two representatives - Rebecca and Alison - attending from Adoption Counts. Rebecca is a team manager and Alison is one of the Advice Team's Social Workers. Please confirm your attendance to the following email address admin@chorlton.manchester.sch.uk

Food Bank

Thank you to our food bank ambassadors who have been busy stocking the shelves and making sure that there are plenty of tins and packets available if needed. Over the year, there are a number of opportunities for fundraising and making donations, and the ambassadors are instrumental in getting these things organized and promoted to pupils and parents.

This half term we have had a cake sale after school to raise more money to be able to buy items that we are short of. Thank you to everyone who donated cakes or bought them. We raised an amazing £320. Thank you also to one of our Year 5 children for the donation from your slime stall 😊

February is LGBTQ+ Pride month.

This year the theme is Science and Innovation. All classes will have the opportunity to do an activity to mark the month and will be finding out the significance of the Pride Flag. Children will be reminded about how we all should celebrate and respect our differences.

Year 2 have been busy learning all about Florence Nightingale, and as part of this learning, they have had the opportunity to practice some basic first aid on their teddies. Some future paramedics, nurses and doctors in the making!

Year 6 had an exciting morning at Chorlton High as part of their science curriculum this week, looking at how the heart works and having the opportunity to do some dissection. Thank you Chorlton High.

Parent Workshop - Get Ready to Volunteer!

Get Ready to Volunteer

at Chorlton Park Primary

Manchester Adult Education

ESOL friendly

Chorlton Park Primary School
Mauldeth Rd West
M21 7HH

During the course, you will...

**TALKING TO CHILDREN
ABOUT THEIR DEVELOPING
BODIES AND FEELINGS**

A webinar to inspire confidence in taking a positive approach to supporting children with their developing bodies and feelings.

February 26th @ 7pm
Online

Sign up for free by scanning the QR code or follow the link in the email

brook

As a parent or carer, how confident do you feel talking to your primary-aged children about bodies, puberty and development?

For many the answer is not confident enough! That's why Brook's Parent and Carer Participation Advisory Group have collaborated to create a webinar that will make parents and carers feel more confident having those important (and sometimes awkward) conversations.

The session will support you to take a positive, age-appropriate approach by helping you

- ✿ Understand why a positive approach to children's bodies and development matters
- ✿ Feel empowered to have clear, factual conversations about bodies and puberty

- ✿ Manage awkwardness with confidence
- ✿ Adapt conversations to meet their child's individual needs

The webinar will be hosted on Zoom on February 26th at 7pm. To sign up for free scan the QR code or head here: <https://bit.ly/4bt9wHn>

Online Safety Workshop for Parents and Carers

We are pleased to offer two practical Online Safety Workshop to help families support children as they navigate the digital world. The session will explore how to use parental controls, recognise common online risks, and encourage healthy, balanced online habits at home.

With children spending more time on devices, it's important that parents feel confident guiding their online activity. The workshops will provide simple, effective strategies you can use straight away, along with reliable sources of further support.

For Year 5 and 6 parents only

Date: Thursday 26th February

Time: 2:15pm

Location: Main school building

General workshop open to ALL parents during Parents Evening

Date: Tues 3rd March and Wed 4th March

Time: 4pm and 5pm

Location: IT suite

We hope you will join us for one of these valuable sessions and work with us to help keep our children safe online.

Have a great half term holiday everyone 😊
