Next week is National Story Telling Week and the theme for 2026 is Soundtrack your story.

Children are invited to write their own song lyrics on a theme of their choice. This is a wonderful

opportunity for them to be creative, have fun with words, and express their ideas through music and writing. The competition is open to all pupils, and the winning lyrics will be chosen by our rights ambassadors.

If your child would like to take part, please send their entries to their class teacher. This can be written/recorded and sent via Class Dojo by Monday 9th February 🎵 🎶 🎸 📝

Playgroup

Please join us for our pre-school playgroup which began again last Friday. The sessions will run each Friday from 9.00 to 10.00am. It is run by Mairead, our Greenhouse Before & After school club Manager, and take place in the Early Years hall. There are a variety of activities and toys for children to play with during the sessions. Children will need to be accompanied by a parent/carers.

If you would like to attend, please arrive by 9.00am at the Early Years entrance. Please be aware that if there is an occasion where we may be over capacity we may have to limit entrance. If you require any further information please contact the school office.

Parking Plea

Please continue to be respectful of our neighbours on both Barlow Moor Road and Mauldeth Road West. We have had a number of complaints about inconsiderate parking across drives, on the pavement or blocking people in. Thank you.

Parent Partnership

We value the strong partnership we share with our families, and your support plays an important role in creating a positive and safe environment for all our pupils. To continue fostering this supportive atmosphere, we would like to remind everyone of the expectations around parent conduct on school grounds.

Our school is a place where children learn not only academic skills but also how to communicate respectfully, solve problems calmly, and treat others with kindness. It is important that adults model these same behaviours.

We kindly ask that all parents and carers:

- Speak respectfully to staff, pupils, and other parents at all times.
- Follow school procedures when raising concerns or making enquiries. Staff are always happy to help and will respond as promptly as possible.
- Avoid confrontational or inappropriate language or behaviour on or around school property.
- Use designated areas for drop-off, pick-up, parking, and waiting to ensure safety and smooth movement around the school.
- Refrain from discussing concerns with or approaching other children directly. Any issues should be addressed with school staff so we can support in the right way.

Our priority is always the wellbeing, safety, and education of all children. By working together and maintaining a calm and respectful environment, we can ensure that our school remains a welcoming place for everyone.

Thank you for your understanding, cooperation, and continued support.

PTA Silent Disco
