Squishies

Please can we ask that children do NOT bring squishies into school. Please be aware that some of the 'Needos' and 'Dumplings' don't comply with EU Regulations and could contain toxic chemicals which if ingested may be harmful.

Outstanding payments

Please could we politely ask that all outstanding payments from school lunches or visits be settled as soon as possible to ensure that any debt isn't built up. If you need to speak to a member of the school office staff about this, please call on 0161 881 1621 or drop into the office.

Early Years Litter pick

A huge THANK YOU to everyone who took part in our Sponsored Litter Pick this year. Together Nursery and Reception, we raised an incredible £953 for Forest School!

This money is going to make a real difference to the children's outdoor learning experiences. Thanks to the funds raised, Forest School will now be able to purchase high-quality den-building equipment, creating more opportunities for imaginative play, teamwork and adventure in nature. We will also be buying a Kelly Kettle, allowing children to enjoy a warm drink at the end of their Forest School sessions in a more sustainable and practical way, without needing to build a fire each time.

The litter pick itself was also a wonderful reminder of what can happen when a community comes together. Not only have we raised money for our school, but we have also helped care for our local environment and shown our children the power of collective action.

School holidays are coming!

'At a time of significant change for children and young people, it is more important than ever that their voices are heard. Through 'The Big Future', I can take the views of your child directly to government and ensure their priorities help inform the decisions that affect their lives.

Thank you for your support in helping ensure that every child's voice has the chance to be heard.'
